Welcome to the first week of our Crab Feed Solicitation Drive!

Our goal during this first week is to have 25% of our St. Joe's families donate to our solicitation drive - either by choosing an item off of our Sign Up Genius wish list (**link is below**) or contributing to our underwriting campaign.

Remember – if 25% of our families contribute to the drive by the end of the weekend (December 3rd), then all of the students have earned a sweatshirt/hoodies day on Monday December 18th!

To date, we have had 18% of our families contribute...we just need a few more families to help us reach our 25% goal! Please consider how your family can give! THANK YOU!
