Dear Friends of St. Joseph's Catholic School,

We are eagerly preparing for our 55th annual school auction to be held on Saturday, March 14, 2020 at Boise Centre East. The year's event is being chaired by Kim Moodie and Cari Moodie. St. Joseph's Annual Crab Feed is our school's largest fundraiser of the year. The funds received directly support the school's operational budget, enrichment programs and help keep tuition fees low in order to allow any student to receive a Catholic education at St. Joseph's School. Our school solely depends upon tuition, personal donations and the generosity of various businesses and individuals like you.

For over 100 years, St. Joseph's School, in collaboration with St. John's Cathedral, has been educating young men and women in our community. Our mission seeks to provide all children with an opportunity to develop spiritually, academically, morally, emotionally and physically, in an environment of Christ-centered attitudes and values. Staff and parents are committed to preparing students to take their place in their own community and the world at-large by fostering a love for lifelong learning and a responsibility to others. We hope to continue this tradition for the next 100 years. Our Cathedral school is, in fact, the largest ministry of our parish. There is no better investment you can make in the future of the Catholic Church, than to provide your direct support to the students of our Cathedral school in an effort to continue to promote the mission and values that our school holds at its core.

As you reflect on ways you can help support St. Joseph's School, please consider underwriting one of the costs associated with this event. All underwriters will be recognized in our Crab Feed event program, and school website, as well as listed in our church bulletin and social media outlets, providing exposure to over 4,000 families. All underwriters will also be recognized on our Crab Feed "Thank You" banner.

All donations are tax deductible and qualify for the Idaho Education Tax Credit (see reverse for details).

Please feel free to call our Business Manager, Anita Miller (208)342-4909 with your ideas on how you and/or your business can get involved. As we continue to be stewards in and beyond our community, we appreciate your help in making this event an outstanding success. We extend our heartfelt thanks for your support and contribution.

Sincerely yours in Christ,
