January 15, 2020

Get ready to HOOP IT UP at the St. Joe's Crab Feed 2020...It's Madness! Time to dig out the old college sweatshirts, basketball spirit wear or super-fan gear. This year we will be at an amazing new location, and the basketball theme will have something for everyone. Mark your calendars!

DID YOU KNOW?

The first March Madness tournament was 81 years ago, in 1939. The tournament was played with eight teams, and Oregon won. In 1951, the field doubled to 16, and then kept growing. In 1975, the field numbered 32 teams. In 1985, it increased to 64 teams. In 2011, the current 68-team format was adopted. The first St. Joe's Crab Feed was held in 1965. Families used to drive to the coast and buy fresh crab to be served at the event, thus the name "Crab Feed."
